EXPERIENCE

- 2021-2022** • **DATA ANALYST**
Teleperformance
 - As a Data Analyst at Teleperformance, I addressed client concerns and provided effective solutions for issues such as flight delays, no shows, and refunds
 - Analyzed customer's issue in booking their flights and assisted the manager in analyzing the most prioritized flight of the customers based on their experience
 - Exceeded targets by 20% resulting in company growth, while also collecting, analyzing, and managing data to create actionable reports for improved position and profitability
- 2020-2021** • **SALES REPRESENTATIVE**
Star foundation
 - As a sales representative, I promoted the company's initiative of starting a school with less fees for the children living below the poverty line
 - Promoted the company's idea on different social media platform
 - Helped more than 1500 children living below the poverty line to gain education from the school and Exceeded the given targets on a day-to-day basis
