

ANJALI P

PROFILE SUMMARY

As a dedicated Front-end Developer with hands-on experience in creating dynamic and visually appealing web applications, I specialize in translating design concepts into interactive user experiences. With a solid understanding of HTML, CSS, and JavaScript, I excel in crafting responsive and user-friendly interfaces. My strong problem-solving skills and attention to detail ensure that I deliver high-quality, optimized code. Passionate about staying current with industry trends, I am committed to enhancing user experiences and contributing to innovative projects.

WORK EXPERIENCE

FRONT-END DEVELOPER SEPTEMBER 2018-MARCH 2024
FIDELITY NATIONAL INFORMATION SERVICES, INC. (FIS), BANGALORE, INDIA

- Developed and maintained responsive web applications using HTML, CSS, and JavaScript, ensuring optimal performance across devices.
- Collaborated with UX/UI designers to implement design prototypes and enhance user interfaces for improved user experience.
- Integrated front-end code with back-end systems using RESTful APIs and modern JavaScript frameworks.
- Optimized web page performance and reduced load times through efficient coding practices and regular testing.
- Conducted code reviews and debugging to ensure high-quality and bug-free releases.
- Participated in agile development cycles, contributing to sprint planning, daily stand-ups, and retrospective meetings.
- Stayed updated with industry trends and best practices to continuously improve development processes and technologies.

PROJECTS

- **Weather Forecast App:** Created a dynamic weather forecasting application using **HTML, CSS, and JavaScript** to fetch and display real-time weather data via an **API**
- **Portfolio:** Developed a personal portfolio website using **React JS** to showcase projects, skills, and professional experience with a responsive design.
- **Food Recipe App:** Built a recipe application with **React JS**, allowing users to search for and view detailed recipes, including ingredients and cooking instructions.

CERTIFICATION

- Certified SAFe Practitioner by Scaled Agile, Inc.
- Responsive Web Design by freeCodeCamp.

REWARD AND RECOGNITION

- Honored with the Star Performer Award at FIS for independently Handling and completing various functionalities end-to-end.
- Consistently received accolades from Managers and the LOB Head for delivering highquality code on or before deadlines.
