OBJECTIVE

Seeking a position to exhibit my skills and abilities is an esteemed concern that offers professional growth, while being resourceful, innovative and flexible. In addition to my technical skills, I possess excellent communication skills which enable me to work effectively with clients, contractors, consultants and other stakeholders. I am also a team player who is able to work collaboratively with colleagues from different departments.

EXPERIENCE

ISRO, Trivandrum

Aug 2011 - 2014

AC technician

Worked as AC technician- AC works and Chiller plant operation (Maintenance Section) on contract basis

The Renai Cochin (4-star Hotel)

Sep 2014 - Mar 2015

MEP TEAM Leader

Worked as HVAC Team leader (Engineering section)

Concordia DMCC

Mar 2015 - Oct 2021

MEP Technician

As an AC Technician, I gained valuable experience in maintenance section. However, I was eager to expand my knowledge and skills beyond just AC systems. When the opportunity arose to become an MEP Technician.

Inspire Integrated

Jan 2022 - Onwards

Team Leader

I now have a broader scope of responsibilities that include not only air conditioning but also electrical and plumbing systems. This has allowed me to develop a more comprehensive understanding of building systems and how they work together. Additionally, my increased knowledge and expertise have made me a valuable asset to my team.
