## SUMMARY

Aspiring Supply Chain Management professional currently pursuing a Master's in Supply Chain Management from the University of Wollongong in Dubai. Developed expertise in operations management, supply chain processes, and logistics through comprehensive coursework and practical experiences. My studies have equipped me with skills in designing efficient supply chain strategies, managing logistics and transportation, and applying data analytics for decision-making. Known for analytical abilities, strategic thinking, and effective communication.

I am seeking an entry-level role in supply chain management to drive operational efficiency and contribute to organizational success.
